1

Notify your Supervisor immediately.

Notificar a su Supervisor inmediatamente.

2

Immediately call TRISTAR Nurse Triage at the number above.

Inmediatamente hable a TRISTAR Nurse Triage al numero de arriba.

3

Nurse Triage will gather the information necessary to assess the severity of the injury, determine the best level of medical care, and provide treatment facility locations if indicated. Must use legal name.

Nurse Triage obtendran la informacion necesaria para acesorar la severidad de su accidente, determinara el nivel de tratamiento, y le dara una lista de lugares a donde pueda ir. Debe usar el nombre legal.

- Call back if you have questions, concerns, or updates about the injury.
- Follow the care advice given promptly to ensure the best medical outcome.
- Contact TRISTAR Risk Management for claim questions at 800-201-0727.
- Additionally, the Supervisors complete the Supervisor Report of Injury (SRI) & email to MCCCCD Risk Management within 24 hours of the injury.

NOTE: Failure to follow injury reporting protocols or communicate with claims adjusters, nurse case managers, doctors, and Risk Management could result in delayed treatment or denial of the claim.
