ORGANIZATIONAL LEADERSHIP CERTIFICATE

Scottsdale Community College (SCC), accredited by the Higher Learning Commission, offers a Certificate of Completion (CCL) in Organizational Leadership. This certificate is designed to prepare students with knowledge and skills needed in today's changing workplace. The program provides leadership and communication skills and techniques for planning, directing, and controlling business situations. This program also emphasizes procedures for effective allocation of time, money, materials, space, and personnel.

ORGANIZATIONAL MANAGEMENT DEGREE

The Organizational Leadership CCL leads directly into the Associate in Applied Science (AAS) in Organizational Management degree.

The AAS in Organizational Management program is designed so students can customize their curriculum to their individual needs. Students select 20 industry/job related course credits from any MCCCD occupation program and/or academic certificate to apply to this degree. In addition, students will gain the knowledge and skills needed in today's changing workplace.

At least 9 credits must have a common subject or theme.
