SPRING 2025 WORKSHOPS

START YOUR RESUME
Wednesday, January 29
3:30 PM – 4:30 PM | **SS - 123**

Ready to build your resume from scratch or update an old version. Students will work in each section of their resume applying modern trends for today's job market.

USING AI TO ENHANCE A RESUME
Wednesday, February 12
11:45 am – 12:30 pm | **Library**

In this hands-on workshop, you will use prompt engineering with Generative Artificial Intelligence (GenAI) to enhance your resume, identify and summarize your skills and experience, and prepare for job interviews. *Artie's Hour Session in LIB 425*

THE 5 P'S OF INTERVIEWING
Wednesday, February 26
3:30 PM – 4:30 PM | **SS - 123**

Join in as we offer ways to prepare for interviews and provide answers with confidence.

VIRTUAL CAREER FAIR
Tuesday, March 25
Wednesday, March 26
12:00 PM – 2:00 PM | **ZOOM**

Register and attend to meet with 12 employers throughout the Valley that are hiring. Each company will share for 5-7 minutes before heading into breakout rooms you can pop in and out to ask your specific questions of different employers.

STEPS FOR JOB SEARCHING
Wednesday, April 9
3:30 PM – 4:30 PM | **SS - 123**

Students will draw their plan and set action steps to follow while searching, applying and following up with opportunities.

HOW TO BUILD A PROFILE IN MARICOPA PIPELINE AZ
Video available anytime

Quick 3-minute video that demonstrates how students build a profile, connect and match with local opportunities in their career path.
