APPLICATION PACKET

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, visit www.maricopa.edu/non-discrimination.

TRADITIONAL TEACHER IN TRAINING

Thank you for your interest in the **Scottsdale Teacher Education Partnership (STEP)** post-baccalaureate teacher certification program that is offered at Scottsdale Community College. This **Traditional Teacher in Training** pathway is a field-based immersion program where students learn alongside master teachers for a full year. It is based on the conviction that future teachers must have lengthy experience in schools to practice what they are learning in college.

Students complete the program, which begins in May and ends the following May, as a cohort and are required to commit to the program for the full year. Classes are a blend of face-to-face and online learning and meet Monday and Tuesday evenings from 5:00pm – 8:30pm.

From mid-May through July, students attend classes at SCC. From August to February, students spend two consecutive full days at K-8 schools as an intern working side-by-side with teachers in classrooms (usually 7:30am – 3:00pm) and attend classes at SCC. Homework and class preparation are in addition to these hours. Many candidates [substitute](#) teach on the days they are not interning in the classroom. Towards the end of the program, for twelve weeks from February to May, students spend five days per week student teaching full time at the school with no coursework at SCC.

When the completed application is submitted and a student is determined eligible for the program, an interview will be scheduled as the final part of the application process. Candidates will receive an email indicating acceptance into the program. Orientation takes place in April.

If you have any questions about the program or the application process, please do not hesitate to contact me at (480) 423-6217 or STEP@scottsdalecc.edu.

Sincerely,

Mary Ellertson

Scottsdale Teacher Education Partnership (STEP) Program Director

TEACHER IN RESIDENCE

Thank you for your interest in the **Scottsdale Teacher Education Partnership (STEP)** post-baccalaureate teacher certification program that is offered at Scottsdale Community College. This **Teacher in Residence** pathway allows candidates who have a bachelor's degree to sign a teaching contract and teach in the classroom while concurrently completing required education coursework leading towards certification. It is approved by the Arizona Department of Education and utilizes the Alternative Teaching Certificate.

Students complete the program, which begins in May and ends the following May, as a cohort and are required to commit to the program for the full year. Classes are a blend of face-to-face and online learning and meet on Monday and Tuesday evenings from 5:00pm – 8:30pm. The internships and twelve weeks of student teaching will be completed within the student's own classroom.

Students will work toward the following:

- Obtain the [Fingerprint Clearance Card \(AZDPS IVP\)](#).
- If required by the hiring school district, take and pass the [Elementary Education](#) Subtest I (NT102) and Subtest II (NT 103). These exams are not required for STEP program acceptance.
- Apply for and submit an [Application For Alternative Teaching Certificate](#) through the [ADE website](#).
- Secure a full-time teaching position in a K-8 public, charter, or private school.

When the completed STEP application is submitted and a student is determined eligible for the program, an interview will be scheduled as the final part of the application process. Candidates will receive an email indicating acceptance into the program. Orientation takes place in April.

If you have any questions about the program or the application process, please do not hesitate to contact me at (480) 423-6217 or STEP@scottsdalecc.edu.

Sincerely,

Mary Ellertson
Scottsdale Teacher Education Partnership (STEP) Program Director
